Dear Parrothead,

Thank you for all the things you've done for our school. I really appreciate the supplies you've donated to us, and I'm sure everyone in the school appreciates it too. Thank you for the 130,000 dollars you've gave to the school. At home, I'm doing fine. My house wasn't damaged from the hurricane, but my fence was. Then my dad got workers to build the fence, so I am okay. Thank you for your generosity.

Sincerely,

Kim Nguyen
