Dear Parrotheads,

Your generosity is unbelievable!! I feel like we hit the lottery!! Thank you so much for choosing our school to help us out. We have a long way to go, but with help like you'll's - we'll make it!

My class wrote a book for part of our healing process. You will notice a few mistakes which shows a bit of the stress we were under. We decided to keep the mistakes because it shows some of our pain. I hope you enjoy it; it explains the different things we all went through.

Thanks again
Martha Johnson
